## WARRANT FOR SPECIAL TOWN MEETING

February 10, 1986

Worcester, ss.

To either of the Constables of the Town of Upton in the County of Worcester  
GREETING.

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said Town, qualified to vote in elections and in Town affairs, to meet at the Upton Town Hall in said Upton on Monday, the tenth day of February next, at 7:30 p.m. o'clock in the p.m. then and there to act on the following articles:

ARTICLE 1: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury or transfer the sum of nine hundred and fifty dollars (\$950.00), or any other sum, to be expended for legal services rendered by the law firm of Withington, Cross, Park & Groden re. James J. Janson vs. Town of Upton, or, to take any other action relative thereto.

ARTICLE 2: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury or transfer the sum of one thousand, eight hundred and ninety-eight dollars and fifty-six cents (\$1,898.56), or any other sum, to be expended for legal services rendered by the law firm of Withington, Cross, Park & Groden re Police Collective Bargaining, or, to take any other action relative thereto.

ARTICLE 3: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury or transfer the sum of one thousand twelve dollars and eighty-three cents (\$1,012.83), or any other sum, to be expended for legal services rendered by the law firm of Withington, Cross, Park & Groden re Donald Cosgro vs. Board of Selectmen, or, to take any other action relative thereto.

ARTICLE 4: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury or transfer the sum of four thousand six hundred and sixty-two dollars and eighty cents (\$4,662.80), or any other sum, to be expended for legal services rendered by the law firm of Withington, Cross, Park & Groden for general legal expenses, or, to take any other action relative thereto.

ARTICLE 5: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury or transfer the sum of seventy dollars (\$70.00), or any other sum, to be expended for legal services rendered by the law firm of Withington, Cross, Park & Groden re Robert Page vs. Town of Upton, or, to take any other action relative thereto.

ARTICLE 6: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury or transfer the sum of twenty-five (\$25.00), or any other sum, to be expended for legal services rendered by the

firm of Withington, Cross, Park & Groden re Peppercorn Hill, or to take any other action relative thereto.

ARTICLE 7: To see if the Town will vote to approve the agreement between the towns of Grafton, Sutton, Northbridge, Uxbridge, and Upton to hire the services of a shared planner, or, to take any other action relative thereto.

ARTICLE 8: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury or transfer the sum of one thousand, four hundred forty-five dollars (\$1,445.00), or any other sum, to be expended for the Town of Upton's share of a cash match for the hiring of a shared town planner with the towns of Grafton, Sutton, Northbridge and Uxbridge (this amount will cover expenditures through June 30, 1986), or, to take any other action relative thereto.

ARTICLE 9: To see if the Town will vote to accept Professional Development Grants provided by the Commonwealth in amounts totalling sixty-seven thousand, three hundred forty-five dollars (\$67,345.00) which will be expended by the Blackstone Valley Vocational Regional School District Committee for supplementing teacher salaries by June 30, 1988, as provided by Section 13, Chapter 188 of the Acts of 1985, or, to take any other action relative thereto.

ARTICLE 10: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury, or transfer the sum of eight hundred and eighty dollars (\$880.00), or any other sum, to be used for salary for a maintenance man for the town buildings for May and June, 1986, or, to take any other action relative thereto.

ARTICLE 11: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury or transfer the sum of twenty thousand dollars (\$20,000.00), or any other sum, to be used for the purchase of two generators, one for the Town Hall and one for the Fire Station, or, to take any other action relative thereto.

ARTICLE 12: To see if the Town will vote to set up a fund for the proceeds of the sale of memorabilia from the 250th Anniversary Celebration, with the intent of using these proceeds to fund an annual Heritage Day celebration to be held annually sometime in June, or, to take any other action relative thereto.

ARTICLE 13: To see if the Town will vote to authorize the 250th Anniversary Committee and the Board of Selectmen to form a Heritage Day Committee; and, further for expenses of annual Heritage Day celebration, or, to take any other action relative thereto.

ARTICLE 14: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury or transfer the sum of four thousand, one hundred dollars (\$4,100.00), or any other sum, to be expended for repairs of the dam at Lake Wildwood, this money to be used in conjunction with State funds, or, to take any other action relative thereto.

ARTICLE 15: To see if the Town will take action on the following petition presented to the Board of Selectmen by Earle L. and Sylvia R. Crosby and others:

"... to see if the town will vote to increase the membership of the Board of Selectmen as follows: "One for a three year term and the other one for a two-year term. Thereafter, as each member's term expires, the Town shall choose, by ballot, a successor member for three-year term or to take any action relating there too.", or, to take any other action relative thereto.

And you are directed to serve this Warrant, by posting up attested copies thereof in said Town, 14 days at least before the time of holding said meeting.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting, as aforesaid.

Given under our hands this 27th day of January in the year of our Lord one thousand nine hundred and eighty-six.

John Robertson, Jr.  
Durwood A. Tetreault  
SELECTMEN OF UPTON

A true copy. Attest: Stewart A. Whitney, Constable

ARTICLE 12: Voted: Unanimously that the Town set up a fund from the proceeds of the sale of memorabilia from the 250th Anniversary Celebration, with the intent of using these proceeds to fund an annual Heritage Day celebration to be held annually some time in June.

ARTICLE 13: Voted: Unanimously that the Town authorize the 250th Anniversary Committee and the Board of Selectmen to form a Heritage Day Committee, and further to authorize Heritage Day Committee to expend money from the Heritage Day Fund for expenses of the annual Heritage Day celebration.

ARTICLE 14: Voted: Unanimously that the Town vote to transfer the sum of \$4,100.00 from free cash for the repairs of the dam at Lake Wildwood, said money to be used in conjunction with State funds.

ARTICLE 15: It was moved and seconded that the Town vote to increase the membership of the Board of Selectmen from three members to five members. This increase shall take effect as of the 1986 Annual Town Election. At said election, town shall choose, by ballot, the two additional members of the Board of Selectmen as follows: One for a three-year term and the other one for a two-year term. There-

after, as each member's term expires, the Town shall choose, by ballot, a successor member for a three-year term, by ballot, or take any action relating thereto.

A paper ballot vote was taken. There were 101 voting in favor and 247 opposed. The moderator declared the motion lost.

During the meeting 360 voters were checked into the hall by Nancy E. Kennedy and Barbara E. Burke. It was voted that the warrant be dissolved and the meeting adjourn. This meeting adjourned at 9:15 p.m.

## WARRANT FOR ANNUAL TOWN MEETING

May 5, 1986

Worcester, ss.

To either of the Constables of the Town of Upton in the County of Worcester,  
GREETING.

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said Town, qualified to vote in elections and in Town affairs, to meet at the Upton Town Hall in said Town of Upton on Monday, the fifth day of May next, at seven o'clock in the fore-noon, then and there to act on the following articles:

ARTICLE 1: To choose necessary officers for the ensuing year, all to be voted for upon one ballot. The polls will be closed at 8:00 p.m. on the day of said meeting.

The remaining articles in the Warrant will be acted on at an adjourned meeting in the Town Hall, Saturday, May 10, 1986, punctually at 2:00 p.m.

ARTICLE 2: To hear reports of all Town Officers and Appointed Committees, or, to take any other action relative thereto.

ARTICLE 3: To see if the Town will fix the salaries and compensation of all officers of the Town as provided by Chapter 41, Section 108, General Laws as amended, and appropriate such sums as may be necessary to defray expenses of Town Departments for the ensuing year, or, to take any other action relative thereto.

ARTICLE 4: To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow, in anticipation of revenue for the fiscal year beginning July 1, 1986 in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor payable within one year in accordance with General Laws, Chapter 44, Section 17, or, to take any other action relative thereto.

ARTICLE 5: To see if the Town will vote to raise and appropriate or appropriate from available funds in the Treasury the sum of forty-five thousand, two hundred eighty-five dollars (\$45,285.00), or any other sum, in accordance with the provisions of Chapter 32, Section 22, General Laws, for Pension Fund, Expense Fund, Military Service Fund, and Workmen's Compensation Fund, of Worcester County Retirement System, or, to take any other action relative thereto.

ARTICLE 6: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury the sum of three hundred dollars (\$300.00), or any other sum, equal to that received from the sale of lots and graves during the fiscal year beginning July 1, 1986, in accordance with General Laws, Chapter 114, Section 15, to be used for cemetery oiling and grading, or, to take any other action relative thereto.

ARTICLE 7: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury the sum of nine thousand three hundred dollars (\$9,300.00), or any other sum, to be used in connection with and in addition to any funds allotted by the Commonwealth and/or County for the construction, reconstruction, and improvement of the town roads, or, to take any other action relative thereto.

ARTICLE 8: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury the sum of twenty-four thousand one hundred eighty-six dollars (\$24,186.00), or any other sum, to be used for the construction and/or improvement of town roads, to be reimbursed from the Commonwealth under Chapter 140, or, to take any other action relative thereto.

ARTICLE 9: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury the sum of twenty thousand dollars (\$20,000.00), or any other sum, for an audit of the accounts and records of the Town of Upton, or, to take any other action relative thereto.

ARTICLE 10: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury the sum of seven thousand three hundred seventy dollars (\$7,370.00), or any other sum, for the purchase and installation of radios in the ambulance, or, to take any other action relative thereto.

ARTICLE 11: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury the sum of four thousand dollars (\$4,000.00), or any other sum, to be used to vaccinate Upton's EMTs against Hepatitis "B", or, to take any other action relative thereto.

ARTICLE 12: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury the sum of eighteen thousand dollars (\$18,000.00), or any other sum, for the purchase of a paging system for the Fire Department, or, to take any other action relative thereto.

ARTICLE 13: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury the sum of thirty-five thousand Dollars (\$35,000.00), or any other sum, for the repair/replacement of the Fire Station roof, or, to take any other action relative thereto.

ARTICLE 14: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury the sum of one thousand dollars (\$1,000.00), or any other sum, to be used to repair the porch on the Parks Building and also for stucco repair to the building, or, to take any other action relative thereto.

ARTICLE 15: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury the sum of eight hundred dollars (\$800.00), or any other sum, to be used to purchase security gates for the Town Beach, or, to take any other action relative thereto.

## WARRANT FOR SPECIAL TOWN MEETING

December 15, 1986

Worcester, ss.

To either of the Constables of the Town of Upton in the County of Worcester Greeting.

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of said Town, qualified to vote in elections and in Town affairs, to meet at the Upton Town Hall in said Upton on Monday, the fifteenth day of December next, at seven thirty in the evening, then and there to act on the following article:

ARTICLE 1: To see if the Town will vote to transfer the sum of \$3,453.21, or any other sum, from the Sale of Wood Account to the fund balance of the Conservation Fund, or, to take any other action relative thereto.

ARTICLE 2: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$29,785.00, or any other sum, to be used to replace the fire station roof, or, to take any other action relative thereto.

ARTICLE 3: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$967.66, or any other sum, to pay for expenses incurred during construction of the handicapped ramp entrance to the Town Hall building, or, to take any other action relative thereto.

ARTICLE 4: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$5,000.00, or any other sum, to be expended for an appraisal and survey of land to be swapped with the Commonwealth for a building site for a highway barn, or, to take any other action relative thereto.

ARTICLE 5: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$3,000.00, or any other sum, to be used for clearing snow from areas around fire hydrants, or, to take any other action relative thereto.

ARTICLE 6: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$2,000.00, or any other sum, to complete the installation of the new fire alarm system at the Fire Station, or, to take any other action relative thereto.

ARTICLE 7: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$10,000.00, or any other sum, for repayment of Peppercorn Hill Loan, or, to take any other action relative thereto.

ARTICLE 8: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$1,300.00, or any other sum, for additional work necessary to complete auditing of the Town's books, or, to take any other action relative thereto.

ARTICLE 9: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$1,500.00, or any other sum, to fund the Town's share of the new Medicare Taxes, or, to take any other action relative thereto.

ARTICLE 10: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$3,800.00, or any other sum, to be expended for repaving the road behind the Town Hall building as an access to the handicapped entrance, or, to take any other action relative thereto.

ARTICLE 11: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$4,328.26, or any other sum, to be expended for legal services of Withington, Cross, Park & Groden, or, to take any other action relative thereto.

ARTICLE 12: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$3,200.00, or any other sum, to be expended for appraisal services performed by T. H. Reenstierna & Sons re James J. Janson vs. Town of Upton, or, to take any other action relative thereto.

ARTICLE 13: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$40,000.00, or any other sum, for the Dump Maintenance Account, or, to take any other action relative thereto.

ARTICLE 14: To see if the Town will vote to accept Chapter 640 of the Acts of 1985, an Act relative to the granting or renewing of certain licenses and permits (a copy of this Act is available at Town Clerk's office for review), or, to take any other action relative thereto.

ARTICLE 15: To see if the Town will vote to accept an equal educational opportunity grant for the fiscal year 1987 in the amount of \$149,669.00 under the provisions of G.L. Chapter 70A, Section 5, as inserted by Chapter 188 of the Acts of 1985. Said grant shall be paid by the Commonwealth to and expended by the Blackstone Valley Vocational Regional School District Committee for direct services expenditures, or, to take any other action relative thereto.

ARTICLE 16: To see if the Town will vote to raise and appropriate or appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$7,500.00, or any other sum, for pavement repairs following water main repairs and/or water or sewer service installations, or, to take any other action relative thereto.

ARTICLE 17: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$5,000.00, or any other sum, to be used for cleaning and flushing well fields, or, to take any other action relative thereto.

ARTICLE 18: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$5,600.00, or any other sum, to be used for the purchase of a tractor for maintenance at the sewage treatment plant, or, to take any other action relative thereto.

ARTICLE 19: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$19,000.00, or any other sum, to reimburse the Knowlton Fund for payment of a land survey performed by James Troupes for the Peppercorn Hill purchase, or, to take any other action relative thereto.

ARTICLE 20: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$1,000.00, or any other sum, to be added to the Police Department General Expense Account, or, to take any other action relative thereto.

ARTICLE 21: To see if the Town will vote to raise and appropriate, appropriate from available unappropriated funds in the Treasury, or transfer the sum of \$300,000.00, or any other sum, for the Stabilization Fund, or, to take any other action relative thereto.

And you are directed to serve this Warrant, by posting up attested copies thereof at the Town Hall and the Post Office in said Town, fourteen days at least before the time of holding said meeting.

Hereof fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of meeting, as aforesaid.

Given under our hands this twenty-fourth day of November in the year of our Lord one thousand nine hundred and eighty-six.

Town Clerk of Upton

## REPORT FROM THE BOARD OF SELECTMEN

With the closing of the Town's 250th anniversary, "Lest we forget our Heritage", we established an annual Heritage Day. A special thanks to Ed Furphy, Hugh Dugas and the many townspeople who came forward to make Heritage Day such a success.

During 1986 our town hall was made accessible to our handicapped, thanks to Ernest Ramsey. Thanks also to Bill Evans and our Highway Department for their efforts in building the access road at the rear of the town hall.

At the writing of this report, a first in Upton's history is about to take place: the Selectmen, acting on behalf of the Town of Upton, and the Upton Police Union will shortly sign their very first union agreement. We have been in negotiations for over three long years; this may well be the most important contract negotiated for many years to come. The negotiating sessions have been very time-consuming; however, we, the Board members, feel this time was well spent, and also feel with the sessions now behind us we can get on with the business of updating our Police Department to meet the growth of the Town.

In July, we entered into a Shared Circuit Rider Program with the town of Millville. Daniel Concaugh from North Grafton was selected from many applicants to fill this position.

Another first in 1986 was the delivery of the Town's first snow-fighting equipment, purchased upon the recommendations of our Public Works Study Committee. The Committee at this time is negotiating a land swap with the Commonwealth for the construction of a highway barn.

The Selectmen wish to thank the Conservation Commission for their extensive work on the Peppercorn Hill Project. Special thanks also go to the Planning Board for their untiring efforts in attempting to control the growth of the town.

In conclusion, may we express our appreciation to the Finance Committee for their time and effort toward stabilization of the financial structure of our Town, to all other town officers and departments for their untiring efforts in maintaining growth and stability in their departments, and to our fellow citizens for their support and cooperation extended to us during the year 1986.

The Board wish to thank our clerk, Joan Varney, for her dedication and experience that she brings to our meetings; she truly makes our jobs more enjoyable and rewarding.

Respectfully submitted,

DURWOOD A. TETREAULT, Chairman

## REPORT OF THE SHARED ADMINISTRATIVE ASSISTANT

It is my pleasure to be working as the Shared Administrative Assistant for the Town of Upton. Over the past six months I have had the pleasure of working with a number of different boards and departments.

A number of projects have been started and/or completed during this time. A \$3000 Incentive Aid Grant has been accepted in order to complete a feasibility study for computer use by the Town. The Executive Office of Communities and Development has approved this idea and work should begin as soon as the bid packages are received. This will enable town employees to serve the people more efficiently.

The preliminary work to be able to apply for grants for both dam reconstruction and energy conservation has now been processed. Upton is now in line for funds when they become available.

Background work for the final agreement with the Police Union has been completed. Also, a great deal of work has been done in locating a site for the Department of Public Works and with maintaining communications with state officials and their offices.

I would like to thank the Board of Selectmen for all their help and I look forward to working with them in the next year.

Respectfully submitted,  
DANIEL M. CONCAUGH  
Administrative Assistant

## REPORT OF THE BOARD OF ASSESSORS

The Board of Assessors submit herewith a recapitulation of figures used in setting the Tax Rate for the Fiscal Year 1987. The Tax Rate was approved at \$8.99.

Total Appropriations	\$2,804,849.30
County and State Assessments	80,085.40
Total Amount to be Raised	3,012,792.12
Total Estimated Receipts and Revenue from other sources	1,185,020.30
Total Taxes Levied on Property	1,827,771.82
Revenue Sharing	27,500.00

We would like to thank the townspeople for their patience during this year's revaluation. During the past four years the town has grown rapidly. During 1986 approximately 131 building permits were issued which produced an additional valuation of \$5,627,610 to the town. Approximately 250 property transfers took place.

We look forward to serving the town to the best of our capabilities.

Respectfully submitted,  
ANTHONY W. BONINA, Chairman  
JAMES R. EARL  
CARL W. PORTER

**REPORT OF CONSERVATION COMMISSION**

The increase in building and development in Upton in 1986 kept the Conservation Commission very active. During the year, the Commission held over 25 formal hearings, as well as many meetings in response to over 20 Notices of Intent and 15 Requests for Determination. (Notices of Intent and Request for Determination are applications to the Conservation Commission which identify work being done in or near a wetland area. The Commission responds to each with a written approval including conditions which must be met before and during any work, or a denial.)

This building activity has required the Commission to visit numerous projects sites and write Orders of Conditions for many of them. Over the past year, the building growth, which has required increased activity on the part of various town boards, has led to improved communication and coordination between the town boards involved in the planning and control of the development.

The acquisition of 270 acres on Peppercorn Hill for town recreation land was finalized in 1986. The actual State reimbursement should occur in early 1987. The Open Space Plan, a comprehensive plan for open space use within the town particularly relating to conservation and recreation, was developed in 1985, and was distributed to the town departments in 1986.

In 1986 the Commission accepted, with regret, the resignation of members John Bill, Anthony Charette and chairman Richard Sterry. Harriett Fougere took

over as chairman of the Commission. New members added to the Commission were Ellen Chagnon, Geoffrey Neale, and Mel Shahan.

The Commission expects to be busy again in 1987, planning and monitoring the town's conservation needs to preserve the wetlands.

Respectfully submitted,

### REPORT OF COUNCIL ON AGING

Council on Aging services and programs assist Upton's elders to maintain a quality of life that allows them to remain in their homes as long as possible. This is done by ensuring them that our clients receive nutritious meals, nursing services, respite care, medical transportation, fuel assistance, outreach services, transportation to grocery shopping, government surplus food, income tax assistance, personal counseling and information and referral to other agencies when indicated. These services are coordinated by our Director, Mary-Ellen Wilczynski and emanate from the Senior Center in West Upton.

#### TRANSPORTATION

The Upton Council on Aging has always succeeded in finding diverse and creative ways to provide elders with essential transportation. In the past we have relied on volunteer drivers to take elders to their medical appointments. This year we are fortunate enough to be able to provide more cost effective service for our seniors with the new Mendon/Upton Senior van. Two days a week we are able to transport elders on errands, to the Senior Center for a nutritious meal, grocery shopping and vital medical trips. The van was purchased at no cost to the town but we continue to ask for partial funding of our medical trips. The grocery shopping, errands and transportation to mealsite is supported through the generosity of the Friends of the Upton Elders and private donations.

#### OUTREACH

Dignity of our Seniors and the independence to stay in their homes for as long as possible is the goal of our outreach program. Andrea Sue Blackler is our outreach worker and the backbone of our outreach program. Her primary tasks are to identify individuals in need and work closely with the Director to obtain appropriate services. Constant contact is kept with all social service agencies so complete and consistent

delivery of service is maintained for those in the greatest of need, our homebound elders.

Other worthwhile endeavors include yard maintenance for frail elders in conjunction with local community groups, finding clothing for needy elders, and matching companions to the homebound elders.

#### HOST/HOSTESS PROGRAM

Our host and hostess program under the direction of our hostess coordinator, Peg Conlon, has had its one year anniversary. We now have ten hosts/hostesses to welcome persons to the Center and serve coffee daily. We always welcome new members to our program. If you are interested, contact Peg or the Senior Center.

#### THE HOURGLASS

Our bi-monthly newsletter is mailed to every senior household in Upton. Editor Betty Wood and typist Stanton Baker, along with tremendous help from Polly Hanford as well as the talented staff, assemble this progressive and entertaining paper.

Lucille Gilbert's business machine class at Nipmuc Regional High School runs off our newsletter.

#### NUTRITION

Socialization and daily nutritious meals are the key to good mental and physical health. This is what has contributed to the 3½ years of success at our congregate mealsite. Meals are provided by Tri-Valley Elder Services, five days a week to persons 60 years and older at no cost to the town.

With the first full year of the hospital early release system behind us, our home delivered meals program is delivering up to 40 meals a day. This is one of our most vital services and a link for our frail elders to the world. Tri-Valley pays for both meal preparation and delivery mileage. Our cost is to cover our drivers, Laura Blackler and Ruth Gupatil. In addition to delivering meals, they are a source of help to our homebound elders.

#### HEALTH AND FITNESS

Maintaining good health and fitness is an essential concern of our elders and the Upton Senior Center provides programs to address these concerns. This year the Upton Senior Center provides a mini-health fair in conjunction with the Upton Health Services. The health fair was attended by 70 Upton residents. Volunteers from the medical field made this event possible.

To facilitate access to health services, the Senior Center hosts Dr. Michael Biancamano's monthly podiatry clinic, a hearing clinic conducted by Melvin Winiker, along with a monthly Blood Pressure Clinic provided by the Upton Health Service.

The Upton Senior Center Walking Club boasts 76 members under the direction of our dynamic and enthusiastic leader, Bernice Szarek. The walking club totals its mileage weekly and participates in special events such as fitness picnics and Governor's Cup in Boston.

#### SOCIAL SERVICE

We on the Upton Council on Aging feel that we have a multi-purpose Senior Center. Not only do we have programs designed for fitness and social activities but also a range of social programs.

Yearly free Tax Assistance is provided in conjunction with the AARP for Upton Seniors. Fuel Assistance for all Upton residents takes place every year, from October through April with applications being taken by the Outreach Worker and Director. The Council periodically has Surplus Food Distribution, available to all income eligible Upton residents. We also take applications for Food Stamps and Medicaid for eligible seniors.

The Upton Council on Aging in its effort to bring progressive programming to the Upton residents put on a six week Caregivers Seminar in conjunction with the Executive Office of Elder Affairs. We were one out of seven councils in the state who presented a six week forum for persons caring for elders at home.

This year a Humanities Course, under the supervision of Stanton Baker, took place over a ten week period. The Upton Public Library allowed us to use their private facilities for this study group whose first topic was "Work and Life."

Increased use of the Senior Center has made daily maintenance a necessity. This service is being provided by Brona Sullivan and funded through The Green Thumb Program.

The Friends of the Upton Elders continue their generous support through contributions of money and volunteer hours. Their fundraising events include yard and food sales, a community pancake breakfast and the ever popular Fall Fair. Their ongoing support has made programming and purchases possible at great savings to the town. We gratefully recognize their extraordinary efforts.

Our two enthusiastic secretaries, Dorothy Bradley and Stanton Baker, keep a smile on everyone's face and the office running smoothly.

In an effort to make the Senior Center a community focal point, we make our facility available for meetings, special community celebrations and educational programs. This year our facility was used to host candidates night, a six week Caregiver Seminar and Women's Club meeting. We also hold monthly Stroke Club meetings, Mental Health Alliance meetings.

Edward Prentiss is our elder advocate and legislative watchdog who keeps us informed on the happenings at Elder Affairs in Boston. We would like to thank our mealsite volunteers, Bob Blackburn our bingo caller, and Grace and Hank Smith for their many hours of volunteerism. The Center is open Monday through Friday from 8:30 a.m. to 4:00 p.m. and Saturday morning from 9:00 a.m. to noon.

The Upton Council on Aging's progressive and innovative programs and services for our Seniors is not an effort done alone. It is a cooperative effort with local boards, state, county and federal agencies but most importantly the townspeople of Upton. We look forward to this tremendous support in the future.

#### **REPORT OF DEPARTMENT OF EMERGENCY MEDICAL SERVICES**

The Department of Emergency Medical Services hereby submits its annual report for 1986.

##### **Summary of Calls: 231 Total Calls**

Medical Emergencies	177
Motor Vehicle Accidents	31
Non-Motor Vehicle Accidents	19
Public Service	4

Busiest Month: February with 37 calls

Slowest Month: July and October with 13 calls each

Use of Medical Helicopter: 4 times

The past year has been a busy one for the Department. In addition to fulfilling its primary role of providing emergency prehospital care, the Department has had an active year in the areas of training and public service.

The Department continues to make training a high priority, not only to its own personnel but to other town departments and the public. We provided periodic CPR training to fire, police and highway department personnel. In addition, the Department sponsored a First Responder Course to meet state requirements for emergency personnel. The Department also sponsored several individuals to take the EMT training course. The addition of the new EMTs brings the current staff to twenty-one. Public service was provided at the Upton Road Runners races, the health service fair, and at various town functions.

The year ended on a high note with the Department ordering a new ambulance to replace the current vehicle which is nine years old. This ambulance was purchased using donations received by the Upton Ambulance Fund, which is administered by the Upton Fire Company for the benefit of the Town.

The Department wishes to extend its gratitude to the Board of Selectmen and other town departments for their continued support. We would especially like to thank the Fire and Police Departments for their invaluable support and service. We also extend a special thanks to Mr. John Martin who, as Treasurer of the Upton Ambulance Fund, carefully invested donations, thereby allowing the Department to purchase a quality piece of equipment.

Respectfully submitted,

RICHARD T. LEIGHTON, Director  
SCOTT D. GARLAND,  
Assistant Director

#### **REPORT OF THE FIRE DEPARTMENT**

The Board of Fire Engineers hereby submits the following report for the year ending December 31, 1986.

Alarm responses were as follows: Total Alarms 147

Structure fires	2
Automobile fires	11
Appliance fires	6
Chimney fires	3
Assist Forest Fire Dept.	28
Assist EMS Department	17
Life Flight landings	4
Investigations	10
Assistance calls	7
Mutual aid	6
Washdowns	2
Snowmobile fires	1
Public service	3
False alarms	38
Parades	3
Miscellaneous calls	6

The year 1986 saw many advances for the department. New doors were installed on the station which helps greatly to reduce heating costs. A new fire alarm system has been installed which enables us to expand in the future and also to isolate trouble areas while keeping the remainder of the system in operation. An annunciator was installed in the Police Station to give the dispatcher a digital readout of what fire alarm box is sounding. A paging system was purchased that enables firefighters and EMTs to carry their alerting device with them. This increases their effectiveness and also reduces the amount of times the horns have to be used. A bid was also awarded to replace the fire station roof.

Many training sessions were held during the past year. The board would like to thank Robert Lambert for the use of the house behind his garage for six training sessions before it was torn down. These practices enabled the department to practice ventilation, breathing apparatus and attack procedures. Our thanks also to Richard Stockwell for the use of his property for a tanker drill. The towns of Uxbridge, Northbridge, Hopedale, Hopkinton, Mendon and Upton participated in a four hour drill to measure water delivery potential to an area outside the hydrant district.

Our department also participated in the Blackstone Valley Heritage Homecoming Fire Truck Parade through the various towns that make up the Blackstone Valley.

We would like to thank our families, the Board of Selectmen, other various boards and the townspeople for their understanding and cooperation during the past year.

Respectfully submitted,

RICHARD J. HENDERSON, Sr., Chief  
MICHAEL J. BRADFORD, Sr., Deputy Chief  
ROBERT R. RICHARD, Sr., Deputy Chief

## REPORT OF THE BOARD OF HEALTH

The Board of Health members respectfully submit this annual report to the Town for the year 1986.

Election of officers was held in May 1986. At this time, Joseph W. Collopy was elected Chairman with Margaret A. Libbey being elected Secretary, and Waltraud "Trudy" Sidlauskas, Member. The following appointments were made at this time:

Animal Inspector & Milk Inspector	Christopher Roketenetz
Burial Agent	Martha Williams
Plumbing Inspector	Walter Hopkins
Assistant Plumbing Inspector	W. Bruce Brokaw
Board of Health Agent	Steven F. Niro
Food Inspector	Robert W. Rimbach
Clerk	Carol A. Francis

In September 1986, the Board of Health accepted the resignation of Edward Ramsdell, Agent. Steven F. Niro was appointed as Agent at that time.

Once again, in April, the Board of Health endorsed a highly successful Rabies Clinic at the Fire Station conducted by Dr. Richard A. Heller. Martha Williams, Town Clerk, was available to license dogs at this time.

Robert Rimbach's inspections of local food establishments have indicated that all are being kept clean and are meeting the state codes/standards.

This year proved to be an ever increasingly busy year for the Board of Health due to the increased construction of new homes. The following permits and licenses were issued for 1986 from the Board of Health:

Food Permits	21
Plumbing Permits	93
Gas Permits	22
Installers Permits	26
Perc and Deep Hole Permits	174
Septic System Permits	76
Garbage and Offal Permits	7
Funeral Directors	1

The Board of Health also received and acted on seven dog bite reports.

During 1986, the Board of Health has been actively negotiating with SES Millbury, Resource Recovery Facility, for a long term, 20-year contract for the disposal of residential acceptable rubbish. Estimated start up of this facility will be in 1988.

Respectfully submitted,  
JOSEPH W. COLLOPY, Chairman  
MARGARET A. LIBBEY  
WALTRAUD SIDLAUSKAS  
Board of Health

#### **REPORT OF HEALTH SERVICE COMMITTEE**

The Town Nurse and the Health Service Committee respectfully submit this 1986 annual report to the Town.

Health care cost containment program such as insured co-payments and diagnostic related groups (DRG's) continue to affect the case load of the Upton Health Service. Reimbursable nursing visits are provided by the VNA of the Greater Milford Northbridge Area. Due to the latest Medicare, Medicaid regulations, these visits are allowed for only a short time. As a result, the Upton Health Service has again increased its case load to maintain adequate nursing care for the townspeople of Upton.

The work of the U.H.S. is based on preventative health care, and the delivery of nursing care to residents of Upton when no third party (insurance) reimbursement is available. Some aspects of preventative care provided are immunization clinics,

health screening (blood pressure, diabetes, etc.) and education in such areas as health consumerism, nutrition, medications and physical fitness.

Activities of direct nursing care include health assessments, monitoring of vital signs, maternal and newborn care, skilled observations, communication with physicians and other health care providers, and conducting a variety of clinics. In addition, the Health Service has various articles of medical equipment for loan to Upton residents.

Upton is fortunate to have access to a health care network that is well developed with a high level of communication among health care professionals, social service people, and the many people involved in the delivery of health care.

Attendance and participation at professional conferences and participation in continuing education programs help maintain a network of professional communication. This provides the nurse with updated technical and social services information to ensure the townspeople of quality home care. In addition, the nurse is attending college to meet state licensing requirements and upgrade her professional status.

During 1986, the Health Service regretfully accepted the resignation of Richard S. Stockwell, a committee member since its inception in 1978. The Upton Health Service wishes to thank Mr. Stockwell for his contributions to this service. Marguerite Henderson has been appointed to fill the vacancy left by Mr. Stockwell's resignation.

The Upton Health Service wishes to express its appreciation to the many health and social service agencies for their cooperation during the past year, especially the Upton Council on Aging, the V.N.A. of the Greater Milford Northbridge Area, and Tri-Valley Elder Services.

## REPORT OF VISITING NURSE ASSOCIATION

For the sixth year, the Visiting Nurse Association of the Greater Milford-Northbridge Area, Inc. continues to provide therapeutic home health services to the town of Upton including skilled nursing care, physical, occupational, and speech therapy, home health aide care, and medical social service. In addition, the agency provides medical supplies and equipment to their patients where the need exists. Staff provided the following home health visits to Upton residents during the past year:

Nursing	1,414
Physical Therapy	183
Speech Therapy	61
Occupational Therapy	147
Medical Social Service	52
Home Health Aide	<u>1,300</u>
Total Visits	3,157

The V.N.A. works cooperatively with Sheila Porter, R.N. and the town's health service in attempting to provide a comprehensive program of services to meet the home care needs of Upton's residents. The office can be contacted at 473-0862 for referrals or any questions regarding V.N.A. services. Therapeutic care at home is available on weekdays, evenings, weekends and holidays.

## REPORT OF THE UPTON HERITAGE HOMECOMING COMMITTEE

The Town of Upton participated with ten other towns in the Blackstone Valley Heritage Homecoming Weekend from October 3 to Sunday, October 5, 1986. This first celebration will now become an annual affair.

The purposes of the Corporation (which is comprised of members from each of the eleven towns) shall be to plan and sponsor a program to build regional pride among the residents of the Blackstone Valley by celebrating the recent progress of the Valley and its communities, to honor and reclaim the Valley's historic past, and to support and encourage the development of the Blackstone River and Canal Heritage State Park and the Blackstone Valley National Heritage Corridor.

Upton had a varied program for the two days during which they participated. On Friday, October 3, Edward J. Furphy, and Hugh Dugas, the Co-Chairmen for Upton, along with Kenneth Wood were privileged to be a part of the group which traveled from Worcester to Uxbridge on the "Blackstone Valley Homecoming Express." The train left Worcester at 12:45 p.m. at the Southbridge Street terminal of the Providence and Worcester Railroad. It made stops in Millbury, Sutton, Grafton, Northbridge, Uxbridge, Millville, and Blackstone. State dignitaries spoke from the rear car of the train. High School Bands played patriotic music while spectators waved small flags to show their support.

The Saturday festivities started with a Field Day for children at the Kiwanis Beach area. Nancy Leclaire was chairperson for a committee that included representatives from the Men's Softball League. Highlights of the day were a magic performance by Philip McClure and a freestyle performance by the Mountain Dew GT Trick Team of bicycle riders, a branch of the Pepsi Cola Company.

In the evening, the United Parish sponsored a Ham and Bean Supper at the Church Hall beginning at 6:00 p.m. It proved to be a huge success.

Sunday morning at 8:00 a.m., thirty-two hardy hikers under the leadership of Donald Nelson started out from Kiwanis Beach on a five mile hike through the Upton State Forest. One hour later, seven others went on a shorter two mile hike. Meanwhile, the Upton Grange, under the direction of George Burnham, was sponsoring a Pancake Breakfast at the Grange Hall.

The Upton Historical Society had its doors open for the public to view old photographs of Upton as well as other memorabilia. With Patricia Laberge and Hugh Dugas sharing the duties of chairman, exhibits were set up on the Town Common. They included crafts, paintings, art, and hobbies. Some beautiful rugs and carpets were on display in the Town Hall. In addition, antique cars were on display at the Holy Angels' Parking Lot. Those who made exhibits are too numerous to mention here, but our committee thanks each one of them.

The Concert on the Common started promptly at 3:00 p.m. Donald B. Johnson, author of a book entitled "Upton's Heritage," made opening remarks and then officially started the Concert.

The Milford Concert Band under the direction of Joseph Oneschuk, played from 3:00 p.m. to 5:00 p.m. They were followed by the "Ragtime Rowdies" from Worcester who entertained between 6:00 and 7:00. From 7:30 to 9:00 it was Barbershop Harmony Time with the Gateway Guardsmen from Framingham entertaining with four-part Barbershop harmony by both their chorus and quartets.

The weekend festivities concluded with a Block Dance on North Main Street in front of the United Parish Church with music provided by Lou and Marion Despres. Although the weekend was cool and blustery, those who took part thoroughly enjoyed it and look forward to the 1987 festivities even now being planned.

We hope that local business owners and the general public will actively support our efforts with their assistance and contributions so that we can be self-supporting from year to year.

## REPORT OF HIGHWAY DEPARTMENT

The Road Commissioner respectfully submits this 1986 annual report to the town.

Four new pieces of town-owned equipment were purchased and put into use this year: a one-ton truck, four wheel drive with plow; a five-ton truck with plow and automatic sander; a Ford front end loader and backhoe combination diesel tractor; and one 125 horsepower air compressor with attachments.

We are now in the process of obtaining a parcel of land on Pleasant Street to be exchanged with the State for the building of a Highway Department garage.

Balances as of January 14, 1987

## REPORT OF THE HISTORICAL COMMISSION

It was with a deep sense of loss that the year began with the passing of our Vice Chairman, S. Otis Inman. Otis' knowledge and dedication of Upton's History was an inspiration to all who knew him. His willingness to share this expertise with our community will long be remembered. In the ten years that Otis served on the Commission we were able to move toward the joint goals of the Historical Society and our members, to record and keep Upton's History. His dedication and hard work which he gave so freely is gratefully acknowledged and missed.

At the request of the Planning Board and the Board of Selectmen, we submitted names for new streets being considered in the Brokaw Farm section and at the Box Mill.

We donated copies of "Upton's Heritage" to the Miscoe Hill Library to be used in the course of study for the Sixth Grades and the Nipmuc History Classes.

In a joint project with the Cemetery Commission, we were happy to cooperate in the strengthening and repairing of the iron fences and stone posts at Lakeview Cemetery. We will continue this assistance in the coming year.

A report with suggestions of historical interest was given at the hearing conducted by the Conservation Commission in their open space plan.

We are pleased that Hugh Dugas chose to apply as a member and was our representative to the first in an annual observance of "The Blackstone Valley Heritage Homecoming Weekend." We sincerely hope that more of Upton's citizens will join with this committee in making this a memorable event each year.

We thank David Kennedy for his continued work on The First Burying Ground and the Townspeople for their continued suggestions and assistance. We appreciate the interest and guidance which we have received from the Selectmen.

#### **REPORT OF THE LOCAL SUPERINTENDENT OF INSECT AND PEST CONTROL**

During 1986, ten (10) Dutch Elm diseased and twenty (20) diseased maple and oak trees were removed in the town of Upton.

This year the Tent Caterpillar and Full Web Worm were very light. Branches with caterpillars were cut and burned.

Poison Ivy was sprayed at all the parks, school yards and the Upton Fire Station pine grove.

The 1986 Gypsy Moth infestation was heavy in some parts of town and very light in others. The home owner should keep a close check for egg masses in their yards. The egg masses can be scraped into a can and then buried or burned. Each year more and more home owners are having their yards sprayed, and with good results.

Our department sprayed the Upton Common, fire station grove and school yards. In most cases only one spraying is needed, but yards with many oaks may need two sprayings between the middle of May and the middle of June for best results.

I wish to thank public officials, state and district supervisors and the townspeople for the cooperation and help I received in 1986.

Respectfully submitted,

DONALD R. KENISTON

## REPORT OF THE LIBRARY TRUSTEES

The Trustees wish to thank the Selectmen and the Townspeople for their continued support.

The Library Trustees applied for and were granted monies from the Massachusetts Arts Lottery. With this money, a puppet show was presented in April, entitled "Stories from Uncle Remus" by the Gerwick Puppeteers. The presentation was received enthusiastically by a capacity audience of youngsters.

Frederick DeWolfe chose not to run for the Board of Trustees after three years of service. Everyone appreciated the time and effort he gave to the Library. Gail Snow is our new member and we are grateful for her services.

It is the hope of the trustees that the Friends of the Library Committee will expand their activities in the coming year.

Many books, records and periodicals have been donated to the Library. We wish to thank Mr. Norman Walker and the 250th Anniversary Committee for their donation to the Library of a video cassette of the Upton Parade.

The John B. Fay Room, open to genealogical and historical researchers during Library hours, is in the capable hands of Mrs. Kay Coluci, a Green Thumb worker under the supervision of the Trustees.

The Board wishes to thank Mrs. Akerson and her staff for their continued excellent service.

## REPORT OF THE LIBRARIAN

I herewith respectfully submit my annual report to the Trustees of the Upton Town Library.

Books have been added to the Dr. Carpenter collection.

Revolving loans from the Central Regional Library System augment our collection of talking books, large print books and videocassettes.

Inter-library loans of specific requests for print material and films are received from the CRLS weekly Van delivery.

I have attended meetings and workshops held by Crax, Crab's, GWPL held in neighboring libraries. I attended the NELA conference held in Sturbridge and the Boston Globe Book Festival.

Available to our patrons for circulation are videocassettes, Polaroid cameras, 16mm film projector, screen, slide projector, record player, and records.

Duplicating is made for a minimal fee on our copy machine. Students working on school projects are entitled to four free copies.

Gifts of periodicals, books and records have been gratefully received from Harry Keller, Mrs. Betty Beard, David Anderson, Miss Marjory Taft, Mr. & Mrs. Lawrence Cooper, Upton Women's Club, Frederick DeWolfe, Mrs. Beatrice Cote, Mrs. Alma Gorman, Mrs. Lorelee Morin, Ms Linda Drew, Kellogg-Hubbard Library, James Balderson, Royce Beatty, Jr., Worcester Public Library, Mrs. Patricia Carnegie, Mrs. Jane Humes, Raymond Ethier, Ms Carol Blomquist, Miss Madelaine Lynne, Mrs. Virginia Swenson and Amelia Akerson.

Our displays for the year included hand knit and crochet articles made by the Friends of the Upton Elders, Mrs. Janice Wittmer's art work, Ms Carol Blomquist's hand carved wooden figures from different countries and cultures, Mrs. Barbara Baker's hand crafted name and scenic enamelware, and collections of baseball cards, paperweights and shaving mugs.

I wish to thank the townspeople for their sustained patronage, the individuals and organizations for their gifts to the Library, Mrs. Katherine Coluci, Royce Beatty, Jr., and Michael D'Onofrio for their assistance, and the Trustees for their generous support.

Respectfully submitted,  
AMELIA AKERSON  
Librarian

## REPORT OF THE MODERATOR

As Moderator of the Town of Upton, I presided at the adjourned Annual Town Meeting held on Saturday, May 10th, and three special meetings which were called during nineteen eighty six.

The voter turnout has been good at all special meetings, which shows that the residents of Upton are interested in the welfare and growth of their Town.

As a member and Director of the Massachusetts Moderators Association, I attended the Directors meeting at the Boxboro Sheraton Inn in Boxboro in June and the annual meeting which was held in Shirley in November.

With the growth which is going on in Upton, I would again recommend that the Selectmen consider holding the adjourned Annual Town Meeting at the Blackstone Valley Regional Vocational High School on Pleasant Street. This would assure that there would be sufficient room for all interested voters.

Again I would take this opportunity to thank the voters and all Town boards for their courtesy and cooperation this past year.

Respectfully submitted,  
GEORGE W. BURNHAM  
Moderator

## **REPORT OF UPTON PARKS AND RECREATION COMMISSION**

In 1986 the Parks and Recreation Commission accomplished many goals and objectives. A new fence was purchased and erected at the Town Beach Field. The old fence had been destroyed beyond repair by Hurricane Gloria. Security at the Town Beach was enhanced by a new security gate. The cooperation of the Cemetery Commission made this possible and we appreciate their helpfulness.

A new John Deere tractor was purchased and now enables the Town's lawns to be mowed efficiently. This tractor also has the capability of combing the Town Beach, sweeping parking lots, and vacuuming leaves.

This summer the Commission ran a Summer Recreation program. The program had Arts and Crafts and other recreational activities throughout the Summer. We hope this program continues to grow and more residents participate. Once again, we would like to thank Steve Kedski for his time and energy as swim instructor. Over 125 children participated. The Parks building at the Town Beach has been utilized by some groups/individuals and we encourage the use of this building.

For 1987 the Parks and Recreation Commission would like to see general maintenance on all Parks facilities. Restoring the Howard-Leland ballfield (Memorial School) has become a priority. New projects under way for the coming year are creating trails around the Town Beach facility, establishing programs to meet the needs of Upton residents and maintaining existing grounds, buildings, and programs.

## **REPORT OF THE PLANNING BOARD**

In 1986 the Planning Board approved an 18-lot subdivision off Fiske Mill Road submitted by Ole Silver Maple Development Corp. Also approved was a townhouse development of 18 units at 13 Church Street submitted by Henderson Associates.

The Planning Board received preliminary plans for 15 townhouses off Route 140 and 10 lots off North Street and Mechanic Street submitted by Ole Silver Maple Development Corp. Preliminary plans were also submitted for 44 lots off North Street by Connorstone Realty, 39 lots off Chestnut Street by Rolex Realty and 6 townhouses off School Street by Devlin Construction.

In March, 1986, a shared town planner, Andrea Pollock, was hired by the towns of Upton, Grafton, Sutton, Northbridge and Uxbridge. Partial funding of the position will be provided by the state for three years. Ms. Pollock recommended several zoning bylaw and subdivision control law amendments that the Planning Board acted on in

1986. She has reviewed general business and commercial and industrial zoning in Upton, and has made recommendations concerning land so zoned and zoning by-laws affecting such land.

In 1986 the Planning Board recommended a zoning bylaw change involving review of townhouse developments. The amendment was approved at the annual town meeting. Subdivision control law amendments concerning impact reports and improvements to adjacent streets were also approved during the year.

New member, Raymond P. Smith, was elected in May, 1986. In September, 1986, John Kuzinevich was appointed to fill the remainder of Peter Pease's term upon Peter's resignation.

I would like to express my sincere thanks to the residents of the town of Upton, as well as the members of the town's various departments for the cooperation and encouragement they have extended to me since my appointment as Chief of Police.

Presently every officer in the department is participating in every phase of mandatory police training.

I intend to continue to strive to develop a sound department — a department that can serve its community with justice, pride and efficiency.

#### **REPORT OF PUBLIC WORKS STUDY COMMITTEE**

During 1986 our committee approved, with Town Meeting authorization, the purchase of the following highway equipment and vehicles:

- 1 five ton dump truck with plow and sander
- 1 one ton dump truck with plow
- 1 back-hoe/loader combination with plow
- 1 air compressor with attachments

Our quest for a parcel of land on which to build a highway facility has been hampered greatly by the failure of the regional school committee to follow through on their vote to allow us the use of a section of school owned land on Pleasant Street. Our aim is to be able to find a suitable location and start construction of this facility by mid-1987.

We wish to thank all town departments and residents who have given us assistance during the year.

## REPORT OF THE TREE WARDEN

The year 1986 was a very busy one for the Upton Tree Department. In February we had a very bad ice storm that added to the work load we already had from Hurricane Gloria. With the aid of a bucket truck, we trimmed and cut eighty-two (82) trees that had limbs hanging and trees that were split.

During the year, fifty-five (55) stumps were removed along the town's roadsides. Most of these were trees uprooted in the hurricane or butts that were cut down after the hurricane or the ice storm.

The program of removing low branches and dead ones also was carried out the past year.

The Upton Tree Department had thirty-two (32) emergency calls during 1986.

There were no new trees planted in 1986, but we will be planting fifty (50) trees this coming spring.

Twenty-one (21) trees were removed for the improvement of street drainage.

I would like to thank Deputy Tree Warden Leo Morin, public officials, the Massachusetts Electric Company and the townspeople for their assistance during 1986.

Respectfully submitted,  
DONALD R. KENISTON  
Tree Warden

## **REPORT OF WATER AND SEWER COMMISSION**

The year 1986 was characterized by several proposals for extensions of the water system. These proposals varied from a single residential customer to extensive development projects. As a result, several extensions actually were made on Christian Hill Road, Station Street, Pearl and Glenview Streets, and Pease Road. Proposals are pending for Plumbly Road off South Street and off Church Street.

Other activities on the water system centered around repairs to major breaks in various parts of town. These breaks were increasingly costly to repair and had the effect of putting major stress on our budget.

The Pearl Street water storage tank will need to be cleaned and repainted in 1987. This Million-gallon facility will require a major expenditure to keep it in good condition.

There were no major changes to our waste disposal system in 1986, although one proposal for Lower Hartford Avenue was submitted. A major study of limitations on the existing system with recommendations for expansion strategies was funded at the 1986 annual meeting. This study will be complete sometime in 1987.

We reviewed our actual costs of making connections to existing water facilities for new customers, and as a result increased our charge for performing this service.

We participated in the general upgrading of the radio communication system for the town.

At a special meeting late in the year, we received approval for funds to clean and flush our well fields, and to purchase a badly needed replacement tractor for maintenance use at our facilities.

We were saddened during the year by the death of our longtime friend, Olof Olson. His tenure as clerk to our board had gladdened our evenings and lightened our burdens. He is sorely missed and fondly remembered by us all.

As always, we are grateful for the cooperation and assistance given to us during the year by all town officers, boards, and departments; by Leo Morin and Sue Bonina; and by the residents of the Town of Upton.

Respectfully submitted,

Regular School Committee meetings are held at the Blackstone Valley Regional Vocational Technical High School, Pleasant Street, Upton, MA on the third Thursday of each month in the School Committee Conference Room at 7:30 p.m.

**DAY SCHOOL**

The Blackstone Valley Regional Vocational Technical High School opened for academic classes and vocational-technical training on August 20, 1985. This was the twentieth school opening. Approximately 4,600 ninth grade students have experienced "opening-day" since the school enrolled its first class in the fall of 1966. After 180 days, school sessions were concluded on June 6, 1986.

A full-day session consists of 5½ hours per school day which provides 990 hours of instruction annually. Students alternate in a two week cycle, between academic study and vocational-technical instruction. The academic program consists of English, math, social studies, science, physical education and electives each of the four years. Vocational-Technical instruction is provided in 16 different occupational fields. Each student concentrates on occupational preparation in one of the specialties which is designed to provide gainful employment upon graduation.

The sixteen vocational-technical specialties are: Auto Body, Auto Technology, Computer Information Processing, Culinary Arts/Baking, Drafting, Electrical, Electronics, Graphic Arts, Health Services, Heating/Ventilation & Air Conditioning, Industrial Maintenance, Machine Shop, Metal Fabrication/Sheet Metal, Mill & House Carpentry, Painting & Decorating, and Plumbing.

Member town enrollments in the day-school as of October 1, 1985 indicated the following:

Special education services were provided for 129 students. Each student received special assistance as prescribed by an individual education plan. The majority of special education students were "mainstreamed" in both academic study and vocational-technical education.

Cooperative education provided 124 seniors with on-the-job-experience during the school year. The jobs were provided by 83 different employers who cooperated with the school by making positions available in their companies. The jobs were of the type which allowed the students to continue refinement of vocational-technical skills while also earning wages for their labor. This partnership between industry and the school is beneficial to both students and employers. The region as a whole also derives dividends in that a competent and educated work-force is continually being infused into the general economy of the area.

#### GENERAL COMMENTS

1. The regional vocational technical high school is a unique high school in that students are engaged in a demanding dual-education endeavor. They are involved in a general education program and vocational-technical training simultaneously. There is a conscious and purposeful attempt to unite academic study and occupational competency, citizenship and the work-ethic, from the day students enter the school to the day of graduation.
2. During the school year students participated in a variety of extra-curricular activities. The school's interscholastic athletic program afforded competition through the Dual Valley Conference where boys and girls played on the following teams:

Cross Country, Soccer, Basketball, Baseball, Softball, Track/Field, and Cheerleading. Approximately 185 students took part at the varsity and junior varsity levels.

3. Elected class officers represented sophomores, juniors and seniors. They were engaged in leading their classmates to raise funds, conduct dances and organize other social events, such as blood drives, assemblies and the junior/senior prom. Two Red Cross blood drives were conducted in October and April at which over 200 pints of life-saving blood was donated. The junior/senior prom held in April involved 180 couples who enjoyed a memorable evening at the Milford-Sheraton Hotel. A yearbook staff produced an outstanding Yearbook which was printed in the Graphic Arts department. Another group of students produced a remarkable literary magazine entitled BEAVER TALES which contained original works of prose, poetry, essays and commentaries authored by students. The Vocational-Industrial Club of America successfully competed with other vocational-technical schools in Massachusetts. Several students received recognition and awards in the Metal Fabrication and in Graphic Arts fields.
4. Two students were recipients of prestigious national recognition as scholars. Erik C. Easler, Milford, was named as a National Merit Scholar. Martin S. Pachomski, Uxbridge, was named as a runner-up National Merit Scholar. Another senior, Thomas A. Mitchell, Grafton, brought great distinction to himself, his family and the school by scoring a perfect 800 in mathematics on the National Scholastic Aptitude Test.
5. Another major community project was completed during 1985-86. Students in the construction cluster - carpentry, electrical, plumbing, air conditioning/refrigeration, and painting/decorating programs - converted the former Kellett Funeral Home into a beautiful and functional public library for the town of Millville. The project was started in 1984-85.
6. The school's Three Seasons Restaurant, an integral component of the culinary arts program, served economical lunches and dinners to the public, 170 days (11 AM to 1 PM) during the school year. The facility is noted for service and quality dining as evidenced by the hundreds of patrons who availed themselves of the accommodations.
7. Citizens of the Blackstone Valley region also used the training facilities afforded by the auto technology and auto body training programs.
8. Evening School Programs were available in the fall and spring semesters. Adult training was conducted as a self-supporting program consisting of 48 hours of vocational training in specialties such as Auto Body, Cabinetry, Machine Shop, Welding, Information Processing (computer use), Electrical and Electronics. Approximately 210 men and women participated and completed the certified programs for which they paid tuitions. A special welding program was conducted under the auspices and financed by Local Union No. 475, United Brotherhood of Carpenters and Joiners of America.

9. The vocational school and the Career Development Center (Hopedale) again joined forces in providing an exploration/training program for 50 young boys and girls (ages 14-16) during the months of July-August. The young people participated in graphic arts, food services, carpentry, auto body, auto mechanics and machine shop programs. Funds for the programs were provided by the U.S. Department of Labor and administered by the Career Development-Center.
10. The vocational school, Quinsigamond Community College and the Ford Motor Co., initiated discussions to develop a jointly sponsored automotive technology program leading to an Associate Degree in Applied Science. Prospects for implementing such a joint venture are very encouraging and will be pursued vigorously.
11. The school year was not without problems. On September 27, 1985, Hurricane Gloria visited the region. School was closed for that day. The facilities were rapidly converted into an emergency shelter and used for two days by some elderly persons and physically handicapped persons. Food and sleeping facilities were readily available for the care and maintenance of those in need.
12. With the passage of Chapter 188 (School Improvement Law), the school district became eligible for Equal Education Opportunity Grants. Eligibility is due to the fact that the school's expenditures per pupil are below 85% of the average state-wide expenditure per pupil in similar vocational-technical schools. The school district received \$67,236 of E.E.O.G. after the member towns voted to allow the school district to accept the funds to supplement the operation appropriation. The school district will continue to be eligible as long as it remains below 85% of the state-wide expenditures per pupil.

Another Chapter 188 grant, Professional Development, was provided in the amount of \$67,345. It also was approved by member towns and will be used to enhance teacher salaries upon agreement between the school committee and teachers association as to how the professional faculty will fulfill obligations to satisfy an appropriate form of professional development tasks.
13. Two major facility projects were undertaken during the school year. The first involved underground hot-water-heating lines which burst due to deterioration. Replacement and interior rerouting was accomplished during the month of December. Being an emergency, the school committee voted and expended \$34,000 from unrestricted funds. The second project involved replacement of the original fire alarm system. Installed in 1965, the system became obsolete and inadequate. An appropriated sum of \$23,000 was used to initiate the replacement with plans to complete the project in 1986-87.

Original refrigeration in the school's cafetorium was also replaced as planned.

### Graduation — Class of 1986

One hundred and seventy-nine (179) seniors graduated at outdoor ceremonies held Saturday, May 24, 1986. The graduates received both a high school diploma and a certificate of proficiency in their vocational-technical field of expertise. Class officers for the Class of 1986 were: President, Patrick Gorman (Electrical—Upton); Vice President, Ann Marie Gould (Health Services — Douglas); Secretary, Beth Bliss (Health Services — Uxbridge); and Treasurer, Andrea Lomartire (Health Services — Millbury).

Dr. Elaine Cadigan, Director of Programs, Division of Occupational Education, addressed the graduates. She congratulated the students for their academic achievement and for their demonstrated competencies in various occupational specialties. She encouraged the graduates to continue their quest for greater attainment and fulfillment. She urged them to remember that their vocational education would be the basis for future successes. Twenty-two percent (22%) of the graduates planned to pursue higher education.

Below is the placement record of the graduates:

Vocational/ Technical Program	No. of Grads	Employed	Post-Second.*	Military*	Undecided

\*Note: (1) Thirty-three of the students going on to post-secondary education were employed in their fields of training at the time of graduation.

(2) Ten of thirteen students going into the military were scheduled to pursue service-occupations directly related to their fields of training.

## Personnel & Services

1. The school-year staff employed by the vocational regional school district consisted of professional and support personnel. Staffing patterns and numbers are as follows:

<u>Direct Education Services</u>		<u>Ancillary Education Services</u>		<u>Support Services</u>	
Vocational Instructors	39	Media	1	Nurses	2
Academic Teachers	24	Counselors	2	Caf. Workers	11
Special Services	5	Supervisors	2	Sec./Clerical	4
Education Aides	4	Coordinators	2	Matron	1

2. Full-year staff employed by the vocational regional school district consist of:

Superintendent-Director	1	Secretarial/Clerical	3
Assistant Director	1	Custodians	5.5
Facility Manager	1		

3. Twenty-two (22) contracted school buses were used to transport students to and from the thirteen member towns each day school was in session. Four (4) general extra routes were contracted to transport students from the school to their home towns on Tuesdays and Thursdays whenever students were involved in extra-curricular activities or detained for disciplinary reasons.

## Conclusion

As has been the situation for the past twenty years, 1985-86 was a busy and exciting school year. Two professionals retired after fifteen years of service to the district. They were replaced with two highly qualified people. The finalized Program of Study was fully implemented. The plant facility was updated. Business operations were refined with the extension of computerization. Nevertheless, the administrative function is hard-pressed with the increased work-load caused by Chapter 188 requirements and the changing social dynamics which impact on schools in this day and age.

The School Committee, administration, faculty, advisory committees and support staff express their appreciation and thanks to all the citizens of this very supportive community – the thirteen members known as the Blackstone Valley Vocational Regional School District.

## ANNUAL REPORT

### MENDON-UPTON REGIONAL SCHOOL DISTRICT

To the Citizens of Mendon and Upton:

The Mendon-Upton Regional School District continues toward the goal of educational excellence for the students in both communities. The school district's efforts focused on curriculum development, examination of the school climate and the improvement of the district's educational facilities.

The main focus at Nipmuc High School was the implementation of a school effectiveness program. Last summer, trainers from the Research and Inservice Institute of Nashville, Tennessee worked with staff and students during a three-day retreat in Vermont. The training helped students and staff develop a communications plan that enabled greater student participation into decisions affecting student life. The culmination of the retreat was the formation of the FAST Program (Faculty and Students Together) resulting in a number of activities that were jointly planned by students and staff. Emerging from the FAST program at Nipmuc have been positive perceptions of the school climate by students and faculty. This spring, consultants from RSI will be returning to collect data from students, staff, and parents as to their perceived attitudes toward the school and the progress of the school effectiveness program.

Curriculum improvements K-12 continued this year in social studies and science. After a review of these areas, new curriculum materials were approved and implemented. Each area developed a philosophy, skills, continuum, and a process for their evaluation. The district has, (within a three-year span), reviewed and purchased new material in all major disciplines on a K-12 basis. The curriculum development program enabled the district to provide students and staff with the most current educational materials. A defined process that enables staff to review, purchase, implement, and evaluate curriculum materials on a K-12 level now exists. The curriculum process has offered the district the opportunity to examine new curriculum trends and establish an ongoing curriculum process monitored by staff.

The State of Massachusetts funded a two-year staff development grant for local school districts. With the cooperation of the Mendon-Upton Teachers' Association some important staff development activities have taken place. At the close of school, teachers returned to work on various committees. These committees met to discuss a range of school issues dealing with student discipline, schedules, curriculum, and school life. In addition, during the summer teachers completed curriculum projects helping to raise program standards and they attended the school effectiveness program in Vermont.

Administration participated in a week long workshop on effective evaluation practices. The improvement of administrative evaluation skills has continued with state assistance from Horace Mann Scholar Grants. Staff members will be working closely with administration in order to examine the effective evaluation system intro-

duced to administration. A major objective for both groups will be to review the effective evaluation practices in comparison to our present system. A recommendation will be submitted by the group as to the practicality of the effective evaluation process and adoption to our system.

The maintenance and improvement of facilities continues. A long-range capital improvement plan has been submitted by each principal. At Nipmuc High School classroom walls have been added to separate some teaching areas, lockers have been refinished and hallway and room painting has taken place. Because of some intensive projects needed at both elementary schools, a Building Facilities Committee has been activated to examine both sites, and provide the school committee with recommendations. Building repairs and future district growth are issues that will be addressed by the committee.

Last year we were still a district very much in transition. This year, we have turned the corner. The Nipmuc Guidance Student Profile sheet has provided us with important data about our students. Two years ago, the profile indicated 33% of our students sought employment from high school. Last year, the figure was only 11%. Two years ago, 55% of our students continued with their education (30-40% to 4-year colleges; 20-25% to 2-year or specialty schools). This last year, 75% of our students sought higher education (50-55% to 4-year colleges; 25% to 2-year or specialty schools). The expectations of our young people have become clearly evident. The Mendon-Upton Regional School District has established goals to help our students prepare for future educational opportunities or to seek personal careers. The school committee and staff look forward to this challenge in order to provide quality educational programs for students at all levels.

Respectfully submitted,

BRIAN HASTINGS, Chairman  
JOAN SCRIBNER, Vice Chairman  
WILLIAM C. YOUNG, Treasurer
