

## TOWN OF UPTON, MASSACHUSETTS

---

### DEPARTMENT OF PUBLIC WORKS

### Hydrant Flushing Starts on Thursday November 9th

Flushing will take place between 7:00 a.m. and 3:30 p.m. The planned flushing schedule is shown below but it could change because of unforeseen events or because of weather. Please visit the Upton Department of Public Works page on the town's website for more information on the hydrant flushing. You can also email [edelamotte@uptonma.gov](mailto:edelamotte@uptonma.gov) or call the DPW at 508-529-3067 if you have questions.

***Please check your water before using it when flushing is taking place in your neighborhood. If the water is discolored, run a faucet until the water is clear. We recommend using an outdoor or bathtub faucet if possible. Discolored water is safe to use but could stain laundry.***
