5 The consensus that the Municipal Center lacked adequate parking at the 8 Grove Street location and the  
6 municipal parking lot was better suited to accommodate parking was noted at the meeting. The MFC will  
7 explore this alternative location and present their findings. Concern over the building not accommodating  
8 the historical society was also pointed out. Dennis Westgate stated the municipal center did not preclude a  
9 phased in investment in upgrades to the DPW facility.
