

Upton now monitors the air quality in town using the Purple Air monitor! This monitor has been installed at Nipmuc High School and the air quality can be viewed by clicking on the Purple Air maps found at: <https://map.purpleair.com/1/mAQI/a10/p604800/cC0#10.23/42.1606/-71.7123>.

Once you are on the maps, enlarge to Upton!
