

## **LIST OF WAIVERS**

### **0 Main Street (Assessors Map 202, Parcel 108), Upton, MA (Now Identified as 47 Main Street)**

As required under 760 CMR 56.05(2)(h), the following is a list of Waivers to “Local Requirements and Regulations,” including waivers from the Town of Upton General By-laws, with amendments through the May 4, 2023 Annual Town Meeting, as amended (“General Bylaw”), the Town of Upton, Massachusetts Zoning By-laws, with amendments through the November 1, 2022 Special Town Meeting, as amended, (“Zoning Bylaws”), the Rules and Regulations Governing the Subdivision of Land in Upton, Massachusetts, as most recently amended through October 24, 2017, as amended, and other Local Requirements and Regulations as defined under Section 56.02 of the Chapter 40B Regulations, including all local legislative, regulatory, or other actions which are more restrictive than state requirements, if any, including local zoning and wetlands ordinances, subdivision and board of health rules, and other local bylaws, codes, and regulations, in each case which are in effect on the date of the Project’s application to the Board. In addition to the following list of requested Waivers listed below, the Applicant requests an exception from each and every provision or requirement of all Local Requirements and Regulations issued by a “Local Board” (defined under the Chapter 40B Regulations as meaning any local board or official, including, but not limited to any board of survey; board of health; planning board; conservation commission; historical commission; water, sewer, or other commission or district; fire, police, traffic, or other department; building inspector or similar official or board; board of selectmen, as well as all boards, regardless of their geographical jurisdiction or their source of authority [that is, including boards created by special acts of the legislature or by other legislative action] if such local board perform functions usually performed by locally created boards) with which any aspect of its Comprehensive Permit Application, including but not limited to its proposed site development plans and any other information hereinafter submitted to the Board, is inconsistent. Note that pursuant to 760 CMR 56.00 and as specifically described under 760 CMR 56.05(7), “zoning waivers are required solely from the “as-of-right” requirements of the zoning district where the project site is located; there shall be no requirement to obtain waivers from the special permit requirements of the district.” Accordingly, any waivers that reference special permit requirements are included only for illustration purposes.

<b><u>BY-LAW/ REG.</u></b>	<b><u>TITLE</u></b>	<b><u>DESCRIPTION</u></b>	<b><u>REQUIRED</u></b>	<b><u>WAIVER ACTION</u></b>
§ 300-1.3.	Scope	Scope of Zoning Bylaw	For these purposes, the construction, repair, alteration, reconstruction, height, number of stories, and size of buildings and structures, the size and width of lots, the percentage of lot area that may be occupied, the size of yards, courts, and other open spaces, the density of population, and the location and use of buildings, structures, and land in the Town are regulated as hereinafter provided.	Waived. To be governed by the Comprehensive Permit Decision, and to allow proposed Project in conformity with all use, dimensional, parking and other requirements of the Zoning Bylaw except as modified by the approved Waivers described in this Comprehensive Permit.
§ 300-1.4.	Applicability	Scope of Zoning Bylaw	All buildings or structures hereinafter erected, reconstructed, altered, enlarged, or moved, and the use of all premises in the Town, shall be in conformity with the provisions of the Zoning Bylaw. No building, structure or land shall be used for any purpose or in any manner other than is expressly permitted within the district in which such building, structure or land is located. Where the application of this bylaw imposes greater restrictions than those imposed by any other regulations, permits, restrictions, easements, covenants, or agreements, the provisions of this bylaw shall control.	Waived. To be governed by the Comprehensive Permit Decision, and to allow proposed Project in conformity with all dimensional, use, parking and other requirements of the Zoning Bylaw except as modified by the approved Waivers described in this Comprehensive Permit.
Article 3. Use Regulations; § 300-3.1. Table A - Table of Principal Uses By District	Use Regulations	Allowed Principal Uses	No land shall be used and no structure shall be erected or used except as set forth in the following Table of Principal Uses, Table A, including the notes to Table A, or as otherwise set forth herein, or as exempted by General Laws. Any building or use of premises not herein expressly permitted is hereby prohibited. Within the Single Residential A (SRA) Zoning District, one single family house per lot is allowed, the conversion of a single family to a two family dwelling is allowed by Zoning Board of Appeals special permit, and Townhouses and Garden Apartments (see § 300-7.2 for additional regulations) are allowed by ZBA special permit. Private garages for more than three automobiles are prohibited. Note that the Project does not fall within the definition of "GARDEN APARTMENT BUILDING" which is defined as "a structure of more than one story but not more than three stories containing garden apartment dwellings grouped around a central stairwell."	Waived to permit the use of the Property for no more than a total of 60 multifamily residential rental apartment units and accessory uses including, but not limited to, office, package room, co-working space, fitness room, dog wash, bicycle storage, and private storage rooms contained within a single building, along with garages as described below, as shown on the Plan of Record, and as conditioned within the Comprehensive Permit.

Use Regulations	Allowed Accessory Uses.	<p>§ 300-3.2. Accessory uses and structures. A. <u>Accessory uses in all districts</u>. An "accessory use," within the meaning of this bylaw, is either a subordinate use of a building, other structure or tract of land, or subordinate building or other structure: (1) Whose use is customary in connection with the principal building, other structure or use of land; and (2) Whose use is clearly incidental to the use of the principal building, other structure or use of land; and (3) Which is located on the same lot with the principal building, other structure or use of land, or on a lot adjacent to such lot, if in the same ownership; and (4) Which does not constitute, if effect, a conversion of the principal use of the premises to one not permitted.</p> <p>B. <u>Accessory use in residential districts</u>. In Single Residential SRA, District, the following uses are customarily accessory uses within the meaning of this bylaw:</p> <p>(1) Private garage for not more than three automobiles, one of which may be commercial vehicle if not exceeding 2 1/2 tons in gross weight.</p> <p>(4) Removal of sod, loam, sand, gravel or other earth products in connection with the construction of a building to be erected on the premises for which a permit has been issued, provided that the amount of such material removed does not exceed the amount contained, before construction, in the particular space to be occupied by the foundation of said building.</p> <p>The definition of "PARKING GARAGE" means "a structure which is accessory to a commercial or industrial establishment and is primarily for the parking and storage of vehicles operated by the customers, visitors and employees of such an establishment." See also, Article 5, § 300-5.10. Off-street parking, below.</p>	<p>Waived to allow the following accessory uses, including but not limited to, office, package room, co-working space, fitness room, dog wash, bicycle storage, and private storage rooms, and related customary accessory uses, along with passive recreational open space, playground, grill area, a dog park area, and earth removal during construction, as well as a total of 92 vehicle parking spaces (including 22 garage spaces, or an average of 1.53 spaces per unit (including both enclosed garage parking for more than 3 vehicles, and surface parking as depicted on the Plan of Record), trash receptacle area, utilities, and other appurtenant uses customary to such residential uses, as well as designated open space uses. As to the (3) enclosed garage buildings, Garage A and Garage B will each include seven (7) parking bays and Garage C will include ten (10) parking bays. However, a total of two (2) parking bays in Garage C will be reserved for bicycle parking, if and as needed. Also allow the use of one temporary construction and/or marketing trailer as Applicant's project office until use of the office in the building is permitted.</p>
