

TOWN OF UPTON, MASSACHUSETTS

BOARD OF ASSESSORS

Commencing Thursday May 23rd until June 30th 2024 the Town of Upton Assessor's Office will be conducting inspections for Building Permits that have been issued from 2022 to present. Inspections are visual, require us to photograph of the exterior of the dwelling, and may require measuring for additions and garages; not as extensive as the Building Inspector.

Per Massachusetts General Law Chapter 59, each municipality in the Commonwealth is mandated to perform periodic revaluation when a Building Permit is issued to insure fair and equitable taxation.

Our Principal Assessor, Valerie Leonardo, and, our contracted data collector, Todd Wheeler, will be performing the inspections. Todd is wearing photo ID from Patriot Properties. We will have a letter from our office identifying ourselves. Valeire will be driving a white Toyota Camry, Massachusetts license plate number 4MCR11. Todd will be driving a Blue Hyundai Kona, Rhode Island License Plate number 1LA724.

We expect visits to occur between 8:30 a.m. to 3:30 p.m. Each visit is approximately 15 minutes. As we cannot judge where we will be each day, we are unable to make appointments prior to the visit.

If you have an outstanding building permit and would prefer to schedule an appointment, please contact the Assessor's office at 508-529-1002 or by email: BOA@Uptonma.gov

The Assessors appreciate your understanding and apologize for any inconvenience this may cause. We greatly appreciate your patience and cooperation.
