

## **Hike 4: Peppercorn Hill - Rockwood Meadows**

### **1 East Street**

After parking in this large lot, take the mowed trail through the meadow. Cross boardwalks and enter the woods. After walking for a while, you'll cross another boardwalk, and after more walking, you'll pass another Peppercorn Hill trail sign as the trail bends right. Go over a boardwalk. Bear left at the "No Trespassing" sign.

Go right at a "T," then stay straight where the trail comes in from the right. The houses will be on your right for a while.

Walk on this trail for quite a while, passing a trail on the right that has been blocked off with small fallen trees. Pass the Kerr sign and another blocked-off trail. At the trail split, bear left. Walk for a while until you come to a stone wall on your right, immediately followed by a "T." Go left.

You'll pass the W6 intersection, and then cross a boardwalk over a stream. You'll pass between boulders, cross a wide boardwalk, and go over a bridge.

Eventually, at the W5 intersection, go left. You'll immediately come to another intersection. Go straight.

Cross a wooden bridge over a stream, checking out a little waterfall on the left if you'd like. Soon after that, go right at the fork. Go right at the "Public Parking Lot" sign. Follow the trail back to your car.
