

Hike 5: Snow Family Conservation Area

End of Taft Street

This trail has no blazes and many intersections, so it's important to follow the directions.

After parking in the small lot, take the trail to the left of the kiosk and the large oak.

Stay straight on the wide forest road. Once you start heading downhill, immediately take the first right. After passing a rocky ridge on the left, go left at the "T."

At the next "T," go left, immediately passing a large boulder on your left. Stay straight on this trail, going downhill, then uphill. Cross a stream. Pass a vernal pool on your right.

At the "T," go left, uphill. At the 4-way intersection, go right. Follow the trail straight back to your car.
