### **Small Accessory Structure Permit Application Structures Under 200 Sf- Zoning Review**

**MA 780 CMR 10<sup>th</sup> Edition allows for accessory structures up to 200SF to be constructed without a building permit.**

**Upton Zoning Bylaw Ch. 300-4.2 Dimensional Regulations Table provides setback requirements for all structures. Structures under 120SF with height under 15FT may reduce required setbacks to 10LF.**

**Please Attach Copy of Plot Plan Showing Accessory Structure with Application**
